

Hallo

Ons het 'n ongelooflike dag by julle deurgebring. Toe ons stop, is ons 'n biedjie verdwaal, maar toe ek omdraai staan Seun daar en hy het ons die hele dag op sy hande gedra. Wat 'n juweel van 'n man. Hy is beslis vir julle 'n goeie ambassadeur.

What an unbelievable day we had with you. When we arrived we were a little lost, but when I turned around Seun was standing there and took us under his wing. What a jewel of a man. He is definitely an excellent ambassador for you.

Seun het baie fotos geneem, moet ek ook nog vir jou stuur?

Seun took lots of photo, do you want me to send you more?

Ek vertel vir almal wat ek teëkom van ons heerlike ervaring en hoe netjies dit is en watter goeie personeel julle het. Hierdie was werklik vir ons een van ons hoogste punte van die afgelope paar jaar.

I have told everyone I come into contact with about our wonderful experience and how well kept it (Sandstone) is and about how good the personnel that you have are. This was definitely one of the highlights of the past few years.

Ek hoop julle kry ook vandag lekker reën. Mooi dag vir jou.

I hope you get some nice rain today. Wishing you a good day.

Vriendelike groete,

Friendly greetings.
