LETTER OF APPRECIATION FROM THE AMERICAN SHOW RACER CLUB OF SOUTH AFRICA

1. The American Show Racer Club of South Africa want to thank Sandstone Heritage Trust for the privilege that the club had to present the 6th Young Bird Show on Sandstone.

2. The members attend were surprised by this jewel of a place that existed in the Eastern Free State. The neatness and the Heritage value of Sandstone were the biggest discussion point the first night around the fire.

3. We want to thank Lee in particular for all the arrangements to use the "Waenhuis" and for the accommodation.

4. In the future the American Show Racer Club of South Africa would like to present a Young Bird Show again at Sandstone.
